Presenting at this meeting will be Katrina McCullough a Community Engagement Specialist from GHD

GHD is a global professional services company that leads through forward-looking, innovative approaches that connect and sustain communities around the world.

Katrina will be presenting on the Willingness Process Study - what it is, how it will guide decision making, and how the community can contribute to it. The Municipality of South Bruce has hired GHD to be an independent third-party to facilitate an open and transparent process that will allow the community to express what measures they would like to see in determining willingness to host the Project.

At this CLC meeting, the public will have the opportunity to learn about the Willingness Process Study, and shape how GHD will engage the community throughout the year.
